A Dressy Frock That Is Warm, Too.

The rich sheen of velveteen is so quietly distinguished; it is suitable for almost any sort of afternoon or informal evening affair, yet it is not too dressy for business or street wear.

Velveteens are particularly fashion-favored this winter. Their popularity is partly due to the clever things designers have done with it.

The New Winter Shades: Blues, Browns, Taupe, Plum, Dark Green, also Black.

Silhouettes, Straight Line Models, Blouse Effee Plain and Surplice Bodices, Draped Skirts, Bouffas Skirts, Tunic Styles and Strictly Tailored Mod.
